

## ACTIVITY

### HOW TO DEVELOP AND REVIEW AN EMMP

#### INSTRUCTIONS

1. Review the example EMMP.
2. Consider the questions below in relation to the EMMP, first by yourself. Afterward, discuss your understanding with the group.

#### QUESTIONS

1. Would you consider the EMMP to be comprehensive? Provide an explanation of why or why not.
2. Identify a mitigation action in the EMMP that employs each of the following techniques:
  - a. Siting
  - b. Design elements
  - c. Operating practice
  - d. Rehabilitation methods
3. How does the EMMP establish timing and responsible parties?
4. How does the EMMP use SMART language and mitigation measures?
5. Is the EMMP realistic? How?
  - a. Targeted?
  - b. Funded?
