

EXAMPLE # 2
INITIAL ENVIRONMENTAL EXAMINATION (IEE)

PROGRAM/ACTIVITY DATA:

Development Objective: Global Development Priorities of Mutual Interest Advanced
Program Location: Indonesia
Program Title: Indonesia Clean Energy Development II (ICED II) Project
Life of Program Funding: \$25,000,000
Life of Program: November 30, 2014 - September 30, 2020
Date: December 24, 2014

IEE Prepared by:
Retno Setianingsih, Senior Environment Specialist

ENVIRONMENTAL ACTION RECOMMENDED:

Categorical Exclusion: **Negative Determination:**
Positive Determination: **Deferral:**

ADDITIONAL ELEMENTS:
CONDITIONS:

SUMMARY OF FINDINGS:

- A **Categorical Exclusion** is recommended in accordance with 22 CFR 216.2(c)(2) for the following ICED II Program activities, except to the extent that they include elements that are expected to impact the natural or physical environment: training and technical assistance (22 CFR 216.2(c)(2)(i)); academic analyses and studies (22 CFR 216.2(c)(2)(iii)); document and information transfers (22 CFR 216.2(c)(2)(v)); and development planning assistance (22 CFR 216.2(c)(2)(xiv)).
- A **Negative Determination with Conditions** is recommended in accordance with 22 CFR 216.3 (a)(2)(iii) for ICED II Program activities involving actions that directly or indirectly affect the physical or natural environment, including small-scale field studies or research; design, construction and operations activities for small-scale hydropower, biomass plants, methane biogas digesters, municipal waste to energy facilities, solar and wind power plants; identification, promotion and implementation of Best Management Practices (BMP) that are determined to have direct or indirect impact on the natural or physical environment; and policy development (to include technical standards, implementation guidelines and fiscal incentives and/or reforms). Annex 1 contains reference to relevant sectoral USAID Environmental Guidelines that examine potential impacts and associated mitigation measures to be considered in the context of the ICED II Program activities.
