Other core team members are Eurasia Environmental Associates, Neptune and Company, Mott MacDonald, World Education and Battelle Memorial Institute. Cloudburst is a GSA Contractor Teaming Arrangement (CTA) partner. All other team members are subcontractors to Cadmus.

Operating units interested in accessing GEMS II services, whether funded by the participating Bureaus or with their own buy-in funds, should first contact the relevant BEO/Activity Manager and the COR. See contact list at right.

Please request the *GEMS II Pricing and Ordering Guide* for more information.
