

## Basic EMMP Template

(To use, fill in text in **green highlight**. Delete explanatory comments in **yellow highlight**.)

### EMMP for Project **XXX**

Person Responsible for Overseeing EMMP:

**[name, contact information]**

Activity I: <b>[name of activity]</b> <b>[briefly describe activity &amp; summarize potential adverse environmental impacts—from IEE]</b>			
<b>IEE or EA Condition</b> <small>(reproduced from the IEE or EA)</small>	<b>Mitigation</b> <small>Specific actions to be taken to comply with the condition.  (if an IEE or EA condition is already specific to the project/ activity and implementation actions self-evident, this “translation step” can be omitted)  A single IEE/EA condition may require multiple action to implement—add rows as necessary</small>	<b>Monitoring</b> <small>How will the project verify that the mitigation action is being implemented and is both effective and sufficient?</small>	<b>Timing and Responsible Parties</b> <small>Who is responsible for mitigation, monitoring, reporting?  Timing/frequency of these actions</small>

*[add rows for additional conditions]*

*[ repeat table for additional activities]*
